Transparency Report

In accordance with the Information Technology (Guidelines for Intermediaries and Digital Media Ethics Code) Rules, 2021 ("IT Rules"), Moj is publishing this monthly transparency report for **March 2022** to ensure transparency for our users. In this report, we will be sharing detailed information about the legal requests received from law enforcement authorities, number of user complaints received, and removal actions taken as well as takedown done basis violations of our community guidelines.

1. Law Enforcement Requests

This report includes the number of legal notices received for Moj from law enforcement authorities and investigating agencies. Basis the requests, an action is taken in the form of content/account take down and/or user data is shared with the law enforcement authorities provided correct and complete details of such user accounts are sent to us.

Law enforcement requests received	Requests where user data was provided	Requests wherein takedown/ban action was taken basis violation of community guidelines
4	4	2

March 2022

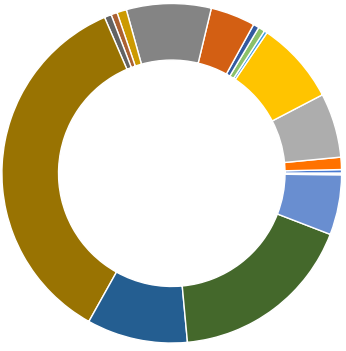

2. User Complaints Received

This report includes the total number of user complaints received by Moj via reporting mechanisms available across the platform, based on different categories as tagged by the users. Our users have the option to report user profiles as well as individual content for violation of our policy standards.

Total number of user complaints received
33,19,397

March 2022

3. Removal Actions (Takedown)

We take proactive removal actions basis violation of our Community Guidelines, Terms of Use and other policy standards. All existing policies for Moj can be accessed at: here.

Our users have the option to report user profiles as well as individual content for violation of our policy standards. We have a reporting mechanism to enable copyright holders to report infringing copyright content on the platform. Such infringing links can be shared for review at https://moj-copyright.sharechat.com/ and are taken down within 24 hours.

Takedown basis violation of Community Guidelines

Copyright takedown (48)
Sexual UGC discard (80,868)
UGC discard (275,835)
Comments deleted (222,461)

March 2022

4. Removal Actions (Ban)

Depending on the severity of the violation and the parameters basis which each case has been reviewed, we enforce various bans spread across different time periods. The bans can be enforced in the form of UGC ban (user is unable to post any content on the platform for the specified ban duration), edit profile ban (user is unable to edit any profile attributes for the specified time period) and comment ban (user is banned from commenting on any post on the platform for the specified ban duration). The duration of these bans varies between one day, seven days, 30 days and 360 days. In cases where these guidelines are repeatedly breached, we permanently remove the user's account for a period of 360 days. In the month of March, we permanently terminated 797 user accounts from Moj.

	UGC ban	Edit Profile ban	Comment ban
360 days	698	683	686
30 days	901	44	612
7 days	5472	286	41,753
1 day	2	1	15
